Participants must book their own flights. Romeis-Reisen recommends waiting until the booking confirmation for the desert trip Morocco has been received before booking the flights, as the trip is only guaranteed once the booking confirmation has been received. After arrival in RAK (Menara Airport in Marrakech), there may be waiting times for the transfer to the hotel if you are waiting for tour participants who arrive a little later. The same applies to the return journey if the departure times differ greatly.

I agree to my name and e-mail address being passed on to the other participants.

☐ agree, ☐ do not agree. (Please mark with a cross where applicable!)
